### WORK HISTORY

#### FRONT-END WEB DEVELOPER

Corsica Technologies / January 2020-March 2020

- Fort Wayne, IN | (260) 432-1364 | **Laid off due to COVID-19 related cutbacks**

Worked on developing the front-end of the company's proprietary client portal, which was built with React, as well as made updates and changes to a web app developed specifically for a client's needs (also a React project). Worked on development of an internal web app that needed to be updated to meet changing business requirements. Met deadlines for new features and fixed bugs.

#### WEB DEVELOPER

United Art & Education / June 2019-January 2020

- Fort Wayne, IN | (800) 322-3247

Handled the company website and internal intranet, making necessary upgrades. Oversaw the start of implementing Salesforce code integration. Modified SQL queries on the back end to integrate selling products on new web marketplaces, as well as integrating with APIs for new marketplaces.

#### PARALEGAL

Rush Law Office, LLC / March 2017-June 2019

- Peru, IN | (765) 472-7702

Drafted and filed court documents, maintained contact with clients, & conducted legal research

#### STORE ASSOCIATE

TJMaxx / June 2015-December 2016

- Kokomo, IN | (765) 868-7422

Helped customers find products, ran the checkout, and unloaded stock
